

PRE-MASTERS IN BUSINESS MANAGEMENT

OVERVIEW

A pathway to business related postgraduate degrees in the UK.

The Programme

Our contemporary course can be taken as a self-standing qualification with an award of 120 credits at Level 6 (equivalent to the final year of an undergraduate degree) as well as providing a progression route to full masters programmes at leading UK universities.

Programme Content

You will gain insight into the functioning, objectives, and processes of organisations, appreciating their diversity and the influences and impact of external forces on them. Emphasis is placed on adapting the latest innovative management concepts, tools, and techniques to align with organisational culture of both established organisation and start-up ventures.

Who will benefit from the Programme

A particular aim of our Pre-Masters is to provide students who do not meet standard entry requirements for postgraduate study, with an introduction to the modern business environment which they will be exposed to in a master's degree.
