

Pre-Masters in Business Management

International Foundation Group

A pathway to business related postgraduate degrees in the UK.

The Programme

Our contemporary course provides a progression route to masters programmes at leading UK universities. It is currently recognised by University of Derby, Aston University and the University of Brighton for entry to business related masters degrees.

Programme Content

You will gain insight into the functioning, objectives, and processes of organisations, appreciating their diversity and the influences and impact of external forces on them. Emphasis is placed on adapting the latest innovative management concepts, tools, and techniques to align with organisational culture of both established organisation and start-up ventures.

Who will benefit from the Programme

A particular aim of our Pre-Masters is to provide students who do not meet standard entry requirements for postgraduate study, with an introduction to the modern business environment which they will be exposed to in a master's degree.

What you will study

Main Modules

- Leadership in a Changing World
- Contemporary Business Strategy
- Finance for Strategic Decision Makers
- Leadership and Management in Multicultural Contexts
- Creating Futures: Sustainable Enterprise and Innovation
