

Pre-Masters in Law

International Foundation Group

A 6-months, full-time course focusing on various aspects of UK law and legal system.

The Programme

A strong emphasis on developing the learning and research skills required for studying law at postgraduate level in the UK. Our teaching encourages students to evaluate, analyse, and apply information, and to appreciate the relationship between theories and concepts and the real world of legal practice.

Academic field trips

Teaching is supplemented by trips to universities and places of specific interest such as the Courts of Justice and the chambers of legal firms.

Programme Content

In addition to academic subject modules, you will also study a range of Skills modules which will prepare you for your postgraduate legal studies. The Research Skills module focuses on referencing, avoiding plagiarism, research methodologies and how to approach case studies. Communication Skills focuses on how to approach different employment situations such as delivering effective presentations and making a good impression at interviews. Academic English specifically focuses on helping you achieve the IELTS score you need to meet university entry requirements.
